Benediction

Every blade of grass, (Every blade of grass,)

every sunset sky (*every sunset sky*)

Every starry night, (*every starry night,*)

every mountain high (*every mountain high*)

Every single thing (*every single thing*)

that your hands have made (*that your hands have made*)

Gives you glory, (*gives you glory,*)

gives you praise (*gives you praise*)

And I want to praise you too

For no-one is as wonderful as you

And I want the world to see

That the God of all creation is a friend to me

Every bird that sings, every shining sea

Every blooming flower, every towering tree

Every single thing that your hands have made

Gives you glory, gives you praise.

And I want to praise you too

For no-one is as wonderful as you

And I want the world to see

That the God of all creation is a friend to me (Repeat)

1 Noah built the most enormous boat
That kept the birds and animals afloat
The Lord was good, the Lord was strong
And Noah lived his life for him

2 Moses led his people through the sea
Taking them away from slavery
The Lord was good, the Lord was strong
And Moses lived his life for him

*Oh thank you, oh thank you
That all through history you
were faithful
Thank you, oh thank you
That you are just the same
When it comes to me
When it comes to me*

3 David fought Goliath and he won
A humble shepherd boy became a king
The Lord was good, the Lord was strong
And David lived his life for him

4 Daniel was inside a lion's den
But God brought him to safety once again
The Lord was good, the Lord was strong
And Daniel lived his life for him

Oh thank you, oh thank you

5 Jesus died to take away our sin
So we could get to know our God again
The Lord is good, the Lord is strong
And we will live our lives for him

Oh thank you, oh thank you
